Community Meeting Announcement (15th Street and Avenue D Roundabout Design Project)

You are invited to attend a community meeting regarding an upcoming City project for designing a roundabout at the 15th Street and Avenue D intersection. Please join us at this meeting which is scheduled for **4:00 p.m. Wednesday June 19**, at the Snohomish Fire District 4 facility located at 1525 Avenue D. It will be in their Eldon Harvey Auditorium room.

This meeting will discuss the details of the project, respond to questions, and discuss potential traffic impacts during construction which could begin as early as late Fall of this year. The proposed intersection concept layout can be found on the second page of this Newsletter.

The 15th Street and Avenue D intersection is a congested and important intersection for Snohomish. We are excited to have the opportunity to improve this intersection both logistically and aesthetically as it helps to serve as the gateway to our community for now and the future.

A web page will be created (prior to the community meeting) on the City's website for up-to-date project information. Please direct any other questions you may have pertaining to this project to Andrew Sics who can be contacted by either writing to the City of Snohomish, 116 Union Avenue, Snohomish, WA, 98290, or emailing to sics@ci.snohomish.wa.us or calling 360-282-3174.

Applicants Sought for Snohomish Planning Commission

Applicants are being sought to fill an upcoming vacancy on the City of Snohomish Planning Commission.

The applications are due to the City Clerk by 4:00 p.m. on Thursday, June 27, 2013, at City Hall, 116 Union Avenue in Snohomish.

The Planning Commission board member term runs for six years. The Commission considers land use, regional and comprehensive plan issues, and makes recommendations to the City Council. The Planning Commission may recommend moratoria and/or interim land use controls and hold public hearings as deemed necessary by the City Council.

Members of the Planning Commission must live within the City's urban growth area boundary. All City board and commission members are volunteers serving without compensation.

The vacancy is created by Planning Commissioner Jane Thorndike's decision not to seek re-appointment. The selected appointee's term will begin immediately upon City Council confirmation of the Mayor's appointment. Commissioner Thorndike has served as a Commission Member since August 2003.

Applications are available at City Hall and may also be downloaded from the City web site: www.ci.snohomish.wa.us.

Upcoming City Council Agenda Items
