31st Annual National Night Out Take Back Your Neighborhood

This past Tuesday night, the City of Snohomish participated in the 31st Annual *National Night Out* nationwide campaign to stand united against crime in our neighborhoods. *National Night Out*, a yearlong community building campaign, is designed to: (1) heighten crime prevention awareness, (2) generate support for, and participation in, local anticrime programs, (3) strengthen neighborhood spirit and police-community partnerships, and (4) send a message to criminals letting them know that neighborhoods are organized and fighting back. Here are some of the photos from the event this week. You can also see more photos at the Snohomish Police Department's Facebook page.
