Bank Robber Confesses

Richard Dennler, the suspect who in January of 2012 robbed the Union Bank located on Avenue D, has pleaded guilty as charged to Robbery in the First Degree. He is scheduled for sentencing at the end of the month. The anticipated sentence range is around 40-50 months in prison. The case broke on a tip. From there (with patience and persistence) the Snohomish Police Detectives were able to put together a successful resolution to this case.

Heritage Preservation Program Accepting Applications

Snohomish County is currently accepting applications from public and nonprofit agencies for projects that develop and promote heritage preservation in the county.

By providing matching funds on a competitive basis, the Community Heritage Program supports projects that promote the public's access to county history. Funding is available for professional development, public education, capital improvements, or collections management.

Money is awarded from recording fees collected by the Snohomish County Auditor. The allocation of these fees for projects that "promote historical preservation or historical programs, which may include preservation of historic documents" is authorized under RCW 36.22.170. The revenues accrue to a dedicated fund and may not be used for any purposes other than those stipulated in the RCW.

As has been done in the past, the Snohomish County Historic Preservation Commission will review applications and make recommendations to the Snohomish County Executive and County Council for final approval.

Previous awards have been used to create a cyber tour of heritage landmarks, purchase archival materials for storing museum artifacts, and the digitalization of brittle newspaper collections.

Funds will be available beginning in June and will be awarded on a competitive basis to applicants who can complete their proposed projects by December 15, 2013. Funds are reimbursed for approved project costs only. Historically, project allocations have averaged about \$3,500.

Details of eligibility and other program requirements are included in the application package, which must be filled out and returned to Snohomish County's Office of Economic Development by 5 p.m. Thursday, April 11. Applications received after that time and date will not be considered.

Applications are available by contacting the Office of Economic Development at 3000 Rockefeller Avenue, M/S #411, Everett, WA, 98201. For more information on the program, contact Wendy Becker at 425-388-3186 or wendy.becker@snoco.org.
