The agenda list above is partial and tentative. For further information, click here for the City website:
<http://www.snohomishwa.gov/AgendaCenter/City-Council-Agendas-1>

This Saturday, March 19, from 9:00 a.m. to noon, the City of Snohomish Parks Department will be hosting its 12th annual Spring Clean-Up event. This event is held every spring to get City parks, our historic downtown area, and the community ready for spring and the Easter Parade, which will be held this year on Saturday, March 26 at 11:00 a.m. along First Street.

The areas where we will be most focusing our volunteer efforts are the Centennial Trail from Rainier Street (Co-op) to the Maple and Pine intersection, all local Snohomish schools, and the historic downtown area where the Easter Parade will be held.

Come join us for a fun morning working with your fellow community members in an effort to clean-up and support your City of Snohomish Parks Department and Snohomish schools. Last year we were fortunate to have over 450 volunteers equaling 1,600 community service hours! In addition, this event qualifies as community service hours for high school seniors.

If you would like to pre-register for the event or if you have any questions, please contact Mike Johnson at johnsonm@snohomishwa.gov or Joe Hopper at hopper@snohomishwa.gov or call the City shop at (360) 568-7070. Day of event sign-ups will be held on March 19 in the Hal Moe Pool parking lot starting at 8:30 a.m. Hope to see you all there!

2016 Calendar:

Economic Development Committee Meeting

Tuesday, March 22
Regular Meeting 7:30 a.m.
City Hall Conference Room
116 Union Avenue

Parks and Recreation Board Meeting

Wednesday, March 23
Regular Meeting 7:00 p.m.
Carnegie Building
105 Cedar Avenue
NOTE LOCATION

March 18, 2016

Don't forget to send in your Garbage & Recycling Survey

Garbage and recycling customers received a survey with their City utility bills in January and February. The City Council would like to hear from customers and is conducting this survey to gather feedback about garbage rates, types of services preferred, customer service and general feedback on our garbage, recycling and yard waste program. Please complete your survey and return it to City Hall by including the survey with your utility billing payment, dropping the survey in the utility bill after-hours drop box or mailing to City Hall. Survey results will be tallied and feedback will be provided to the City Council and community at a future City Council meeting this spring.

Highlighted Land Use Applications in Process

The applications listed below are currently pending or under review. During the comment period associated with a development proposal, interested parties may submit comments for the project record. For additional information on any of these projects, the project file may be reviewed at City Hall during normal business hours. Staff is also available to respond to questions at the contact information below.
