Claytown Park Improvements Update

The Claytown Park improvement project is well underway. The removal of the old play structure and landscaping was completed during the Spring Clean-up volunteer event on March 23. Staff is about half done installing the playground and things are looking great for a late June project completion time. Staff is planning on scheduling a dedication ceremony for the new playground later this summer.

The \$34,000 project was made possible with a \$10,000 donation by the Snohomish Kiwanis Club.

If you have any questions about the project, please contact Mike Johnson, Public Works Services Manager at 360-568-7070.
