2026 SMART Objectives

1.) By June 1 survey participating Neighborhood Watch Captains on what they would want from the City and Public Safety Board to support their Neighborhood Watch Programs.

- Emergency response
- Community volunteer opportunities
- Neighborhood/Pedestrian Safety
  - Design survey questions February/March meetings
  - Schedule and meet with Neighborhood Watch Captain's in April/May
  - Report finding at June meeting – discuss next steps and possible outreach materials

2.) Resilient Snohomish Action Items:

- Provide Technical Assistance to Small Businesses  
After receiving training from City staff, board members will assist at least 10 Snohomish small businesses in completing climate resilience checklists and templates. This work will be completed by November 30, 2026, with progress tracked through completed templates.
- Partner with Nonprofits Serving Vulnerable Populations  
Board members will collaborate with at least 5 local nonprofits to review and provide feedback on their emergency continuity plans following orientation from staff. Engagement will occur during Q3–Q4 2026 and be completed by December 31, 2026.
- Volunteer at Community Engagement Events  
The Board will ensure representation at 100% of City-hosted climate preparedness outreach events (not to exceed four events). Attendance will be logged, and participation summaries documented. This commitment will be fulfilled by December 31, 2026.
  - Review program February meeting
  - Event design and materials discussion/development March meeting
  - Identify opportunities for city to plug “2 weeks ready” into existing events
  - Schedule and sign-up April meeting for events
