Reminder: Garbage, Recycling, and Yard Debris Thanksgiving Changes

The City of Snohomish reminds you that Republic Services will not collect garbage, recycling, and yard debris on Thanksgiving, Thursday November 28, 2013. Thursday customers will be collected on Friday, and Friday customers will be collected on Saturday.

City Wins State Grant for Second Street Pavement Overlay

The State Transportation Improvement Board (TIB) recently announced winners for this year's annual grant program. The City of Snohomish is excited to announce that the Second Street Pavement Overlay is one of the projects selected for funding from the TIB's Arterial Preservation Program.

The project consists of grinding and overlaying Second Street from Avenue D to Avenue H and will include new ADA ramps at many of the corners. Total costs are approximately \$350,000 with up to \$298,000 being reimbursed by the TIB grant and the balance to be paid from the City's Transportation Benefit District (TBD) funds.

The design will be completed in-house this spring, and construction can be expected during the summer of 2014.

Home for the Holidays

Thank you to the Sno-gnome-ish elves Sarah Dylan, Jay Clements, and Ed Poquette for volunteering to decorate the Christmas tree at First Street and Avenue B. Shout out to Fire District 4 for assisting at the top. Photos can be found on the second page of this newsletter.

Don't forget Home for the Holidays kicks off Friday. Details can be found at www.HistoricDowntownSnohomish.org.
