**Oso Slide Memorial Service
Day of Remembrance March 22**

A Day of Remembrance scheduled on Sunday, March 22, for the SR 530 landslide has been organized for families, communities, volunteers and responders to come together to honor and remember the 43 lives lost that day one year ago.

Transportation to the event will begin with participants directed to arrive at 7:00 a.m. to park at the Darrington Rodeo Grounds (if coming from Darrington, located at 42109 SR-530, Arlington) or Miller Shingle (if coming from Arlington or Oso, located at 21021 SR-530, Arlington). Buses will start transporting people to the slide area at 7:30 a.m. Please consider carpooling to the parking areas.

The remembrance ceremony officially starts at 10:37 a.m. with a moment of silence. Due to the number of anticipated attendees, transportation to the site will take time. To allow the families of

lost loved ones and slide survivors private time at the site, other participants will be asked to initially wait in a staging area near the slide area. At 10:15 a.m. first responders, community members, honor guard, color guard, and public officials will proceed to SR 530 from the staging areas to the east and west.

Participants are advised to wear weather appropriate clothing (as there is no cover from rain) and comfortable, sturdy footwear (no open-toed shoes or heels). Be prepared to walk for the occasion. If you are a responder, you are invited to wear the uniform/clothing that you wore during slide response so that families and other responders can more easily identify you.

Please note: State Route 530 will be closed just west of Darrington and east of Oso from 9 a.m. to noon on Sunday, March 22, for the slide remembrance event. Traffic will be detoured via State Route 20. Expect additional travel time when using this route.

March 20, 2015

Snohomish Citizens Invited to Participate in “Earth Hour”

Snohomish citizens are invited to participate in “Earth Hour” on Saturday, March 28 between 8:30 and 9:30 p.m., local time. That’s the time that households and businesses are encouraged to turn off their non-essential lights for one hour to raise awareness about the need to take action on climate change.

The event first took place in 2007, when 2.2 million residents of Sydney, Australia, participated in the first “Earth Hour.” Following Sydney’s lead, cities around the world have adopted the event in succeeding years.

Snohomish Business Owners Invited to Informational Meeting

We are very excited to announce that the City of Snohomish has contracted with CITYCENTER Marketing Solutions to “Bring Big Business Technology to Snohomish Businesses” through the new Official City of Snohomish Smartphone App. This app will promote everything that makes our community so great.

The City has committed to promoting the app in all of its print and electronic materials as well as to advertise in businesses, and throughout the City. The app will act as an interface for residents and visitors of the community to access the City of Snohomish events, schools, parks, and most importantly your business. The technology that is featured in this app is amazing and will create huge opportunities for your business and our entire community.

What do you need to do to receive a FREE business listing in the Official City App?

1. Attend an information session listed below and RSVP <http://snohomish.eventzilla.net> or
2. Contact Daniel at Snohomish@CITYCENTERAPP.com to schedule a one-on-one information session

Help promote our community by including your business in our new app and take advantage of the latest technology to promote your business. Working together to promote Snohomish will strengthen and grow our community.

Join other Snohomish Business Owners and Learn How You Can Take Advantage
