Wednesday, May 13
Regular Meeting – 7:00 pm
City Hall Conference Room
116 Union Avenue

City staff Scott Cox and Brett Enders installing the new slide at the Boys and Girls Club

Boys and Girls Club Playground Slide

This week, the City parks crew spent Monday and Tuesday installing the new slide at the Boys and Girls Club playground. The original ten-year-old slide developed two large cracks along the top section and parts were no longer available to make a repair. The new slide was ready for use Thursday morning.

Later this month Eagle Scout Jacob Everson will be upgrading the playground with a new play piece called a Vortex, moving the current whirly gig to a new location, installing new park benches and grading for landscape changes. This project is in conjunction with, and part of, the Jonah Urie playground donation project. Jonah will be participating in the construction and supervising the project through completion.

Stay tuned for a future dedication ceremony!
