

Street Sweeper Routes

Street Sweeping Route

- 1 - First Thursday of every month
- 2 - Second Thursday of every month
- 3 - Third Thursday of every month
- 4 - Fourth Thursday of every month
- 5 - Main City Thoroughfare
- City Boundary
- - Urban Growth Area

Schedule is tentative. It may change or be delayed due to reasons including, but not limited to, heavy rains, strong winds, or snow.

Schedule in the Fall (approximately mid October - early December) will be twice a week. The second day will be focused on areas with higher volumes of leaves.

You can help make street sweeping more efficient by taking the following actions:

- Dispose of yard leaves in a yard waste container or composting.
- Do not blow leaves onto the street. This causes storm drain backups, flooding, and limits sweeper efficiency.
- On the day of your scheduled route, move your car away from the curb

In case of flooding or other concerns, please contact the City at (360) 568-3115. After regular business hours, press 1 for the answering service.
