

Sidewalk Use Permit Application
Sample Site Plan

NOTES:

1. Refer to Title 14 of the Snohomish Municipal Code for current information.
2. If required, design review conducted during department application review.
3. Permit fees are required in order for an application to be considered complete.

For any questions that you might have regarding your project, please contact the City of Snohomish Planning & Development Services at (360) 568-3115.
