

Chapter 14.235
OFF-STREET PARKING, LOADING, AND ACCESS REQUIREMENTS

14.235.047 Parking Requirements for Existing and New Structures in the Midtown District Land Use Designation.

- A. The off-street parking requirements of SMC 14.214.480 shall take precedence over conflicting provisions of this chapter for development and land uses within the Midtown District land use designation.
- B. All other provisions of this chapter shall apply.
