3. **Responsibilities for Waste Disposal and System.** For the duration of this Interlocal Agreement, the County shall have the following responsibilities:

3.1. The County shall continue to provide for the efficient disposal of all Solid Waste, not otherwise restricted by chapters 7.35 and 7.41 SCC, generated within unincorporated areas of the County and within the City to the extent, in the manner, and by facilities as described in the Comprehensive Plan. The County shall not be responsible for disposal of, nor claim that this Interlocal Agreement extends to, Solid Waste that has been recycled in compliance with the Comprehensive Plan.

3.2. The County shall provide for the disposal of household hazardous wastes generated by residential households located in jurisdictions party to this Interlocal Agreement at the System’s existing Moderate Risk Waste Facility, or in another reasonable and similarly convenient manner.

3.3. The County shall continue to operate the System in a financially prudent manner, minimize fee increases, and use System revenues only for System purposes.

3.4. The System shall continue to be comprehensive, and include educational and other programs, as defined by the Comprehensive Plan.

4. **Comprehensive Plan.**

For the duration of this Interlocal Agreement, the City shall participate in the Comprehensive Plan, provided that the City shall have the right to prepare or maintain its own Comprehensive

Solid and Hazardous Waste Management Plan authorized and directed by chapter RCW 70A.205 and to assess a solid waste fee on its own residents. For the duration of this Interlocal Agreement the City, in conformity with RCW 70A.205.040 (4), as may be amended from time to time, authorizes the County to include in the Comprehensive Plan provisions for the management of Solid Waste generated within its corporate limits.

5. **City Designation of County System for Solid Waste Disposal.**

The City shall, to the extent permitted by law, designate the County System for the disposal of all Solid Waste generated within the corporate limits of that City, and within the scope of the Plan, and authorize the County to designate a disposal site or sites for the disposal of such Solid Waste except for recyclable and other materials removed from Solid Waste for recycling in conformity with the Comprehensive Plan. The designation of the County in this section shall not reduce or otherwise affect the City's control over Solid Waste collection as permitted by applicable state law.

6. **Enforcement.**

In unincorporated Snohomish County, the County shall be responsible for enforcement of laws and regulations requiring persons to dispose of Solid Waste at sites designated by the County as required by chapter 7.35 SCC.

The City shall by ordinance require persons to dispose of Solid Waste at the same sites designated by the County for disposal of Solid Waste. Thereafter, in incorporated Snohomish County, the City shall be responsible for enforcement of its laws and regulations requiring persons to dispose of Solid Waste at those sites designated by the County.

The County (taking the lead role) with the City will provide outreach both within unincorporated and incorporated Snohomish County to educate the public about the requirements of Solid Waste disposal at sites designated by the County.

7. Indemnifications.

- 7.1. The County shall indemnify and hold harmless and defend the City against any and all claims by third parties arising out of the County's operation of the System and performance under this Interlocal Agreement, and shall have the right to settle those claims by third parties, recognizing that all costs incurred by the County thereby are System costs which must be satisfied from disposal rates. In providing a defense for the City, the County shall exercise good faith in that defense or settlement so as to protect the City's interests. The County's agreement to indemnify the City for any and all claims arising out of the County's operation of the System extends to all claims caused by the actions of officers or agents of the County, including but not limited to actions which constitute misfeasance, or intentional misconduct or wrongdoing, even if the cost of such claims is held by a court of competent jurisdiction to not be a proper cost to the System. For the purpose of this paragraph, "claims of arising out of the County's operations" shall include claims arising out of the ownership, control or maintenance of the System, but shall not include claims arising out of the collection of Solid Waste within the City prior to its delivery to a disposal site designated by the County or other activities under control of the City.
- 7.2. If the County acts to defend the City against a claim, the City shall cooperate with the County.
- 7.3. The County shall defend the City against any challenge, whether judicially or before an administrative hearings panel, to the Comprehensive Plan elements adopted pursuant to this Interlocal Agreement.
- 7.4. The City agrees to indemnify, protect, defend and hold harmless the County from and against all claims, demands and causes of action of any kind or character, including any cost of defense and attorney's fees, arising out of any actions, errors or omissions of the City in performing this Interlocal Agreement except for those arising out of the sole negligence of the County or otherwise listed in this Section 7.
- 7.5. Waiver of Immunity Under Industrial Insurance Act. The indemnification provisions of Sections 7.1-7.4 above are specifically intended to constitute a waiver of each party's immunity under Washington's Industrial Insurance Act, Title 51 RCW, as respects the other party only, and only to the extent necessary to provide the indemnified party with

a full and complete indemnity of claims made by the indemnitor's employees. The parties acknowledge that these provisions were specifically negotiated and agreed upon by them.

7.6. For the purposes of this section, reference to the City and to the County shall be deemed to include the officers, agents, and employees of any such party, acting within the scope of their authority.

7.7. Survival. The provisions of this Section 7 shall survive the expiration or earlier termination of this Interlocal Agreement.

8. Duration.

This Interlocal Agreement shall continue to be in full force and effect until December 31, 2038, unless terminated as described in the following paragraph.

9. Revision, Amendment, Supplementation or Termination.

This Interlocal Agreement shall be reviewed by the parties in conjunction with any review of the Comprehensive Plan. The terms of the Interlocal Agreement may be revised, amended, or supplemented, or the Interlocal Agreement as a whole may be terminated before expiration provided in paragraph 8 only upon the written agreement of the parties to this Interlocal Agreement executed with the same formalities as the original. No revision, amendment, supplementation, or termination shall be adopted or put into effect if it impairs any contractual obligation of the County.

10. Miscellaneous.

10.1. No waiver by any party of any term or condition of this Interlocal Agreement shall be deemed or construed to constitute a waiver of any other term or condition or of any subsequent breach whether of the same or of a different provision of this Interlocal Agreement.

10.2. This Interlocal Agreement is not entered into with the intent that it shall benefit a city or town not signing this Interlocal Agreement, and no other person or entity shall be entitled to be treated as a third party beneficiary of this Interlocal Agreement.

11. Contract Administrator.

Pursuant to RCW 39.34.030(4)(a), the parties hereby appoint the County as the Contract Administrator who will be responsible for administering this Agreement, and the direction of the parties, and this Contract Administrator shall take such action as is necessary to ensure that this Agreement is implemented in accordance with its terms.

12. No Separate Entity.

This Agreement does not create a separate legal or administrative entity, and consequently is being administered in accordance with RCW 39.34.030(4).

13. Severability.

If any term or condition of this Interlocal Agreement or the application thereof to any person(s) or circumstances is held invalid, such invalidity shall not affect other terms, conditions, or applications which can be given effect with the invalid term, condition, or application. To this end, the terms and conditions of this Interlocal Agreement are declared severable.

14. Filing.

As provided by RCW 39.34.040, this Agreement shall be filed with the Snohomish County Auditor, or, alternatively, posted on the official website of each party.

15. Authority.

Each of the individuals signing this Interlocal Agreement on behalf of a party to this Interlocal Agreement, certifies that his or her signature has been authorized by appropriate action by ordinance, resolution, or otherwise pursuant to the law of that party to bind the party to the terms of this Interlocal Agreement.
