  - Cover sheet
    - Vicinity Map
    - “Before” and “After” legal descriptions
    - Surveyor’s Seal and Standard Certificate (Name, license #, address, signature, date)
    - County Auditor’s recording certificate
    - List any easements, covenants, and restrictions on the property
    - Owner(s) signature block(s)
    - Notary’s seal and signature, certifying owner(s)
    - Approval signature blocks for the Planning Director and the City Engineer
  - “Before” map
    - Bearings and distances
    - Zoning district boundaries and setback lines
    - Existing boundary lines
    - Lot and tract dimensions and square footage of each lot and tract, with lot numbers or tract designation labels and property tax account number(s)

“Before” map—continued

- Location, name, and width of all existing street rights-of-way or easements within or adjacent to the proposed lots
- Location of all existing structures on the properties, and areas to be owned in common by the lot owners, if any
- Found corners and/or rebar per any referenced survey(s) identified on map, if applicable
- Existing restrictions on use of the land, including critical areas and buffers
- “After” map, distinguished by darker line types
  - Bearings and distances
  - Area of each proposed lot (in square feet) and area to be conveyed
  - Zoning district boundaries and setback lines
  - Proposed lot and tract dimensions and square footage of each lot and tract, with lot numbers or tract designation labels
  - Location, name, and width of all existing street rights-of-way or easements within or adjacent to the proposed lots
  - Location of all existing structures on the properties, and areas to be owned in common by the lot owners, if any
  - Found corners and/or rebar per referenced survey on map (if applicable)
  - Existing and proposed restrictions on use of the land, including critical areas and buffers
- Lot Closure Worksheet
- If a **survey** is used as a reference, it must be included in the submittal package
- **WHEN APPROVED:** Two copies of the FINAL Boundary Line Adjustment maps, with owner signatures and notary certification (black ink) must be submitted for City approval signatures and shall be suitable for scanning, uniform in contrast (no half-tone or grey scale, signatures and seals must be legible on prints, no information should be obscured by cross-hatching, shading, or lines through text, and dimensioning and lettering must be 0.08 inches or larger (seals, certificates and vicinity maps excluded). Once signed, the applicant will record the document with the County Auditor and return a conformed copy to City Hall.
